

Garden Scavenger Hunt

These are pictures of things you can find in gardens and parks, mark them off as you find them. Answer the questions and ask your grown-up too!

Cut out these pictures and hide them round the house or garden to find.

You found a sunflower!

What memory makes you think of the sun?

You found a leaf!

Can you find one outside? What does it feel like?

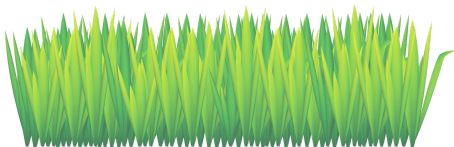

You have found a bird!

Can you hear any birds singing?
What is your favourite bird?

You found a rock!

Can you find a rock outside, is there anything underneath it?

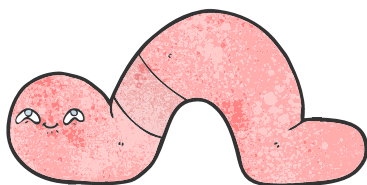

You found the grass!

Have you any grass? What does the grass feel like, can you feel it between your toes?

You found a bee!

How do you feel when you see a bee? Do you know why they're important?

You found a worm!

What do you think a worm feels like?
Have you ever touched one?

You found a cloud!

Look up at the sky, are there clouds? How fast are they moving?
